Monday Night Young Couples To Begin New Study, "Real Marriage" by Mark & Grace Driscoll - Feb. 20, 7 pm @ the Church

They are taking a break until their "Fun Night" Get Together on Feb. 13 @ 7 pm at the church.

Anyone - whether you've been married 50 minutes or 50 years, if you're just dating someone, or even if you're single; it's meant for all - is invited to attend and bring their kids. They'll have root beer floats and play some games.

Thank you all who blessed the school with your donations! Bless yourself by enjoying some tax relief by taking a write-off of donations to our very own non-profit organization. Contact me by email at swright@csicable.net or by cell 701-368-9932 to obtain a receipt or to kick around ideas for the next auction:) Steph Wright
